Historic England is subject to both the Freedom of Information Act (2000) and Environmental Information Regulations (2004). Any information held by the organisation can be requested for release under this legislation. We will always store your personal details securely. We collect data that you provide to us and only ever collect the information we need in order to carry out our statutory purposes and that helps us deliver and improve our services. We will only share personal data when we are required to by law or with carefully selected partners who work for us. If you would like to know more or understand your data protection rights, please take a look at our Privacy and Cookies Policy <http://www.historicengland.org.uk/terms/privacy-cookies/>. Historic England is committed to achieving equality of opportunity as a service provider and employer.

and GLAAS Charter.

I have received an archaeological report provided in compliance with the archaeological investigation condition of the above planning permission.

Having considered the submitted document I recommend its approval. No further archaeological work is necessary and the archaeological condition under this application has been satisfied.

The results of the archaeological investigation will be published in summary form in the London Archaeologist and made available through the Greater London Historic Environment Record. The site archive will be deposited with the London Archaeological Archive and Research Centre.

Please do not hesitate to contact me should you require further information or assistance.

Please note that this response relates solely to archaeological considerations.

Yours sincerely
