Dear Sir/Madam

Town and Country Planning Acts 1990 (as amended)  
**NOTIFICATION TO CARRY OUT EMERGENCY WORKS TO PROTECTED TREE(S)  
UNDER A TREE PRESERVATION ORDER**

Address:  
**14 Dartmouth Park Avenue  
London  
NW5 1JN**

Description:  
**DD 5 Day Notice REAR GARDEN: 1 x Ash Tree - Fell to ground level.**

Thank you for your letter/telephone call of 14 April 2020 giving notice that the above tree(s) are considered dead/dangerous and require emergency works.

The Council confirms that the remedial works as described above are exempt from the need for further notifications or any formal application to the Council and you are therefore allowed to proceed.

Informative(s):

- 1 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
- 2 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or [www.naturalengland.org.uk](http://www.naturalengland.org.uk).

Conditions and Reasons:

- 1 Within 12 months of the date of this permission, a tulip tree (*Liriodendron tulipifera*) shall be planted as a standard with a girth size of 14-16cms. The ground should be prepared to the standards set out in BS5236:1975. The planting process should take into account the standards set out in BS8545:2014. The tree should be suitably staked and tied. The replacement should be planted by the end of the next planting season between the start of November 2019 and the end of March 2020. Failure to plant an appropriate replacement tree may result in the Council serving a Tree Replacement Notice.

Reason: In order to comply with the provisions of Section 206 of the Town and Country Planning Act 1990 (as amended).

If you have further queries please do not hesitate to contact the Tree Preservation Section on the telephone number above.

Yours faithfully

Daniel Pope  
Chief Planning Officer

It is important to us to find out what our customers think about the service we provide. To help us in this respect, we would be very grateful if you could take a few moments to complete our online survey at the following website address: [www.camden.gov.uk/dmfeedback](http://www.camden.gov.uk/dmfeedback). We will use the information you give us to help improve our services.
