Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Certificate of Lawfulness (Proposed) Granted

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule:

Use of part of living room within flat (Class C3) as an office for a mini-cab service with no public visitors (Sui Generis)

Drawing Nos: Site location plan, existing floor survey, proposed floor survey, set up of office photo

Second Schedule:

Oakshott Court
Flat 18
Polygon Road
London
NW1 1SS

Reason for the Decision:

- 1 The proposed business use would not involve a material change of use and would be ancillary to the primary use of the premises as a residential flat (Class C3). The proposal would not constitute development as defined by the Town and Country Planning Act 1990 and would not therefore require planning permission.

Informative(s):

- 1 You are advised that any intensification of business use on the site, beyond what is sought, is likely to require planning permission, especially if the use starts to require visitors and/or the parking of vehicles in connection with the use. The installation of any associated advertisements would require advertisement consent and would be indicative of an intensification of use that may generate the need for planning permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.

Yours faithfully

Notes

1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use*/operations*/matter* specified in the First Schedule taking place on the land described in the Second Schedule was*/would have been* lawful on the specified date and thus, was not*/would not have been* liable to enforcement action under Section 172 of the 1990 Act on that date.
3. This Certificate applies only to the extent of the use*/operations*/matter* described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use*/operations*/matter* which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the Certificate is also qualified by the provision in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
