I am amazed that the modern building next door to me ever got planning permission as it is hideous. It is good to see traditional architectural design achieved and in keeping with the original building
2020/1502/P		06/06/2020 17:07:01	SUPC	Hello. I live opposite the subject property and have no objection to the proposal which seem reasonable and in keeping with the area. I would simply ask that any consent granted be on the basis that the materials used match the existing. The design is good but would look wrong if the materials did not match. Thank you
