| 2020/2116T | [REDACTED] | 02/06/2020 11:50:40 | OBJ | Objection on behalf of Highgate Conservation Area Advisory Committee This application should be rejected as it is in some places unclear and no reasons are given for any of the works. It is not clear whether there is currently a tree at T1. No reason is given for felling T2. Major pruning is proposed at G1 & G2 which will have a considerable effect on the environment and may affect the overall shape and regrowth of the trees. |
