Non-Material Amendment Application to Planning Permission Application ref: 2019/6242/P relating to Minor Design Changes to 55 Dartmouth Park Road, London NW5 1SL

I refer to the above and I enclose an application for a Non-Material Amendment to planning permission 2019/6242/P to incorporate some minor changes to the approved layout and associated drawings.

The Non-Material Amendment Application has been submitted electronically via the planning portal and comprises this letter, the completed Non-Material Amendment Application Form and various drawings which are listed on the attached Issue sheet document showing the approved and proposed new drawings.

The changes are referred to as follows:

1. The rooflight approved has increased in size to approximately double its original size.
2. The proposed green roof approved is now left to a long generous strip at the rear of the extension as shown on the drawings.

I trust this letter provides sufficient information for you to grant this Non-Material Amendment Application.

Please do not hesitate to contact us if you have any queries relating to this application.

Many thanks,
