

- 
- Hand-drawn architectural floor plan of a building. The plan shows a large 'OFFICE' area at the bottom. To the right of the office is a service area containing a 'DUCT', 'TOILET', and two 'LIFT' shafts. Above the office area, there is a staircase labeled 'UP' and another 'DUCT'. The building's perimeter is irregular, with a jagged line on the left side. The drawing is done in black ink on a light-colored paper.
