Subject: Re: 76 & 74 st Augustines wall

Hi Nick

My address is 76 St Augustines road.
The tree is at the back of the house
The property is freehold and owned by me and my mother.
The tree is a 25ft + conifer. The roots of the conifer has knocked down the wall between 74 and 76 St Augustines.

We want to remove the tree completely as stated above its roots are knocking down the garden wall between 74 and 76 St Augustines.

The wall could all give way and become dangerous.

Thanks

Michael
