5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

To cut a new aperture on the 2 outside faces of a bay at the lower ground level of a late Victorian maisonette and to install double-glazed casement windows of clear glass and timber frame construction in these apertures. Dimensions: H730 x W550mm approx

To remove 1980's glass bricks which fill an existing aperture on the front face of the same bay and replace with casement window of clear glass and timber frame construction. Dimensions: H730 x W720mm approx.

Please Note:
- Properties on either side of this maisonette all have additional windows at this level.
- The lower ground level where the new windows are proposed to be installed is largely obscured by a low brick wall topped with a privet hedge from the road.
- The windows would not look into any other neighbouring properties.

Has the work or change of use already started?

☐ Yes ☒ No
