Dear Sir/Madam

Thank you for your letter dated 8th June 2020 regarding the intended work to trees in my garden... Application Ref: 2020/2436/T.

I am writing this email as the resident [REDACTED] and have been living here for 58 years.

I am very fond of my trees. I do understand they require maintenance but I have some objection to the felling of the two Horse Chestnuts T3 and T4 and would prefer that they are pruned rather than felled. I feel very much the same for T2 the Elder which is not invading anyone else's space but does need a good prune too. As a long term tenant here I would be grateful to have my wishes heard and respected.

These trees give me valuable shade and privacy especially during the summer months and I would really appreciate that they are only pruned.

Yours sincerely

Miss Elizabeth Moore
