Dear Jaspreet Chana

Re:phone message left 8th June 2020 . 1.33pm in regards to Planning application at St Mary's Church Abbey road NW6 4SN ..

Please see attached photos.

As stated there are no other notices to be seen and this one as you can clearly see is obscured , it further proves my point by the lack of objections stated under the Camden planning application website to my knowledge as of yesterday only ???

I know there are several of us in the surrounding areas and living in close proximity to St Marys Church who would like the chance to object .

As they did with their successful objection against the proposal for 3 G at the same site .

I am therefore asking for your consideration in this matter for this application to be withdrawn and re submitted as per your guideline (which I am sure does not render the notice heavily obstructed from view) either that or an extension to be granted of at least 3 weeks please..

We need more time to be properly informed and made aware of such action taking place .

Many of us were and are still following protocol and Government guidelines to stay inside during lockdown etc .. So how are we expected to see one obstructed hidden sign.

Not sure if you are aware that this has happened but we are asking for your cooperation at this time to Restore our fundamental right to legally object .. Thank you for your time Please could you forward a proper email address for yourself as there is not one to be found or seen on the notice/website . Thank you for your time Jaspreet

kind regards
