2020/2119/P		11/06/2020 12:20:54	OBJ	<p>I wish to oppose this planning application for the following reasons:</p> <p>Primrose Hill is not a series of gated communities. Having a gated community within the vibrant lively community that is Primrose Hill is socially divisive and in my opinion any proposals for such should not be implemented.</p> <p>I live near to Waterside Place and I would find the addition of these gates intrusive , an unnecessary obstruction, a visual blot on the streetscape and inappropriate to the street and its setting within the CA.</p> <p>Victorian terraced houses form most of the streetscape in the area and mews or old industrial developments such as these exist within this overall pattern. It is desirable to keep these sorts of development porous to the street as they have always been. To enclose them would detract from the overall character of this special neighbourhood.</p> <p>In addition,these gates would neither preserve nor enhance the CA.</p>
