2020/1332/P		12/06/2020 17:40:45	OBJ	Not made clear whether the new antennae will be Huawei 5G and thus likely to require early replacement. Also no information provided on power output and details of RF exclusion zones
2020/1332/P		13/06/2020 13:45:13	COMMENT	I object to the installation of these 2 antennas as there is insufficient evidence of its safety with regard to its emissions. Furthermore, it is next to a primary school and the children's well being has not been fully explored.
