Relocation of plant equipment and installation of 2x condenser units and extract fans and associated ductwork to roof level of rear extension .

Application number: 2020/1462/P
Application type: Full Planning Permission

Dear Sir,

Kindly consider my objections to this application.

We own a [REDACTED] and find the equipment will produce a noise level above what can be reasonably endured by residents. It is an eye sore with complete disregard for the welfare of the residents.

Thank you
