

Proposed Elevations (1:100)

Proposed Window Schedule(1:50)

The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CEN/EN Regulations, Construction Regulations, or which are known or suspected at the time of product selection, to be in compliance with the relevant standards and safety or to the durability of the work or not in accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is for information only and is not to be used for construction purposes. Any discrepancy on site or shop drawings, shall be referred to the architect and rectified before proceeding with the works.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyright and contents therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
