2020/1208/P	[REDACTED]	24/06/2020 13:27:28	INT	<p>I am the manager of West Hampstead Housing Co-operative, 82 Kingsgate Road, NW6 4LA, and we are the owners of [REDACTED]. If these works go ahead, our tenant at [REDACTED] who is on the [REDACTED], will lose a great deal of light and therefore we support our tenants' objection to this work.</p>
2020/1208/P	[REDACTED]	22/06/2020 15:31:02	COMBINT	<p>I have already made a comment but would like to reiterate [REDACTED] did not originally realise how tall the extension would be. It will be over half the height of my bedroom window which will cut out more light from an already fairly dark room. It will be just over 3 ft from my kitchen window and will block 3/4 of the light from the only place I can sit to eat in the kitchen. My flat already has to have the hall light on in the winter and on cloudy days. If it was lower it wouldn't be such a problem but then it would not cover their bedroom window.</p>
