How is this ethical? Profit will damage the character of the Street and Community. The Hall has such potential as an extension to the new Community center in Betram Street...a great space for Clubs, Classes, Meetings etc.</p> <p>Im also worried about the impact of noise, lorries, dust and debris, construction work on the site in Betram Street...its a very small, residential access area and will cause havoc!</p> <p>Has this been thought through properly?</p> <p>Thank you</p>
