2020/1736/P	██████████	25/06/2020 10:07:45	OBJ	<p>This is an objection to the renewal of planning permission 2017/3934/P (currently 2020/1736/P) The two Dormer windows on the south facing roof area are too intrusive, plus the additional living space provided by the new roof is EXCESSIVE.</p> <p>(I can understand a low sloping roof being installed to protect the existing flat roof on the main building, from damage.)</p> <p>Several building have been extended over many years, and I believe, currently, there are SIX bedrooms. I have noted there are TWO different lists of applications addresses, one for 59 And A Half, Netherhall Gardens, starting in 10/05/2000 which includes SIX applications, including 2017/3934/P and this renewal. (Three applications relate to alterations to the buildings (three relate to "work to trees"))</p> <p>ALSO, there have been SEVEN applications re. another address, listed as 59.5 Netherhall Gardens, starting in 18/11/1998 Three for building alterations, granted, (some others refused or Withdrawn, and one for "tree work.) PLEASE REFUSE .</p>
