Dear Sir,

Redevelopment of Oak Hill Park, Hampstead
Block B
Town and Country Planning Acts, 1947-1959

Further to your letter of the 2nd August and our reply of the 4th August, we now submit for your approval detailed drawings of the boiler room and pumping station, and three lock-up garages attached to the main building, and separate block of six lock-up garages adjacent. Would you please note that the three copies each of the enclosed drawings OPB/102e revised, OPB/125 and OPB/335 should be read in conjunction with drawings OPB/104 and OPB/106, already in your possession.

Yours faithfully,

Edwin Hoenig
