

Proposed Rear Elevation

- Proposal Description
- New timber windows with Slimlite double glazing
 - Unless indicated be window identification box the existing windows are to be retained and repaired

The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM Regulations, Construction Regulations, or which are known or suspected at the time of product selection, to be defective, unsafe or to be a danger to health and safety or to the durability of the work or not in accordance with good building practices.

The contractor is responsible for checking dimensions, bearings, levels and references. This drawing is a proposed elevation and is not to be used for construction purposes. Any discrepancy to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyright annotations therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
