Re: Ground Floor refurbishment, Victoria House, 37-63 Southampton Row, WC1B 4DR.

Dear Colette,

Please find enclosed the documents relating to the Listed Building Consent for the above property.

This application is for the refurbishment of selected areas of the upper and lower ground floors of the Listed GII Building. The proposed intervention includes replacement of later floors, recladding of later plaster finishes, light cleaning of historic stone surfaces, refurbishment of existing light fittings and enhancement of the lighting scheme and associated mechanical and electrical improvements.

If there is any further detail you require to expedite the approval of this application, please do not hesitate to contact me.

Kind regards
