

LOCATION A WITHOUT POLE

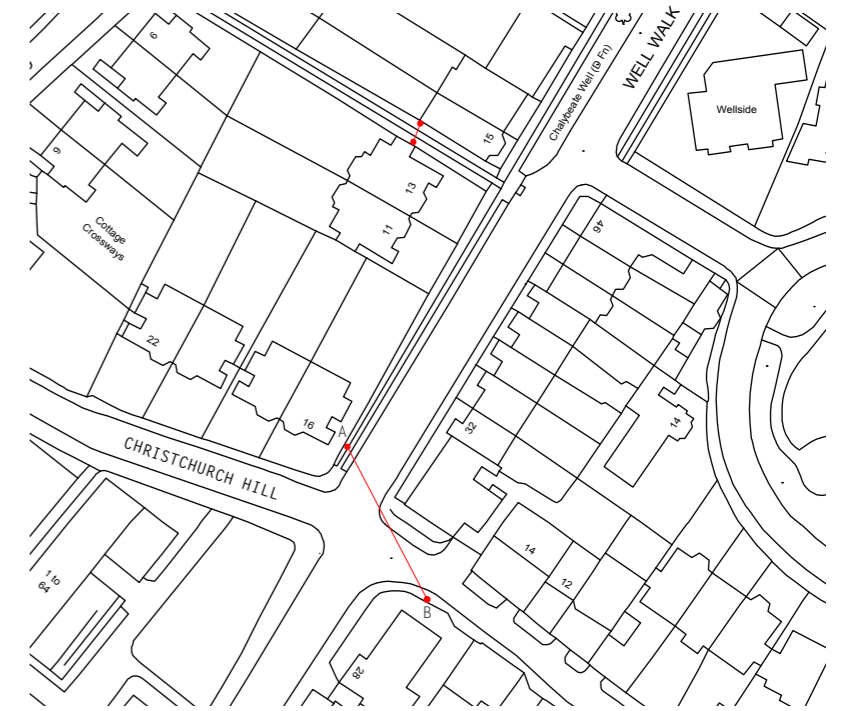

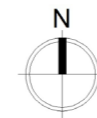

LOCATION A WITH POLE

DESCRIPTION:

A 5.5-metre high, 76dia pole in the footpath verge adjacent to the east boundary wall to the side of 16 Christchurch Hill, approx 400 to the right of the first pier in the wall, so as to minimise visibility from that property, with a filament crossing Christchurch Hill diagonally to a matching pole adjacent to the brick boundary wall to the blank side wall of 28 Well Walk.
