24 – 32 Stephenson Way

Dear Sir/Madam,

Thank you for your response to our recent letter regarding the works at 24 – 32 Stephenson Way, London, NW1 2AF.

In response to your concerns regarding Saturday works, we will not be working as a matter of course on the weekends. We will avoid weekend works wherever possible and the works on these days will be solely reserved for works that cannot be undertaken at any other time.

Our methods of construction have been carefully planned to avoid as much weekend disturbance as we can. Works tackled at the weekend will be done with the smallest labour force possible to limit the potential noise & they will remain vigilant with their noise control.

Background noise level surveys will be completed before works begin so we can monitor our noise levels. Any potentially disruptive elements of work will be issued to you prior in our monthly newsletter.

Our site managers details are Dave Thomas is 07889 340 530. He will be your first point of contact as he will be based on site at all time should you have any concerns. My phone number is 07795 965 424 and email address is TFrancis@bryen-langley.com should you wish to discuss anything further.

Yours sincerely
