Hi Tony

Thank you for Dave's number. Any warning you can give us will be much appreciated 😊

We are happy for you to email 48 hours prior to particularly noisy works and if we could receive a 3 week programme that would be great

Kind regards

Leah

Subject: 24- 32 Stephenson Way - Bryen & Langley

Hi Leah

Thank you for your response to our letters that were posted out.

Regarding your query of notice for any high level of noise, Dave Thomas is our dedicated site manager for the duration of the project. You can reach him on 07889 340 530 if needed.

Is it acceptable for us to let you know via emails at least 48 hour prior to particular noisy works are taking place. We could also send you a 3 week programme which would list out the works that are coming up in the near future?

We intend to work with all neighbours of our site to deliver a smooth build.

Kind regards

Tony
