Subject: Stay Club Illuminated signs

Dear Raymond,

I am writing to you to object to the proposal for illuminated signs outside the Stay Club. This is a listed building and conservation area with restrictions to protect the appearance of our charming early Victorian architecture and these obtrusive, tacky eyesores would be totally out of keeping and damage the cohesive early Victorian identity which is considered to be of special architectural and historic interest which warrants preservation and enhancement.

I urge you to refuse this application.

Best regards,
