I write to object to the proposed illuminated sign for the Stay Club which will be placed on the corner of Hartland Road. I live literally across the road and would see this sign everytime I look out of my window and I also feel the light would come through my curtains at night time and disturb me. Furthermore, Hartland Road is a residential road with Victorian architecture and the signs are not connected to it in any way and would give a tacky appearance as well as be intrusive.  
I hope you will refuse this application.  
Yours faithfully
