Dear Sir,

Part Year I wrote you about the
30'6 x 18' ^{part of plot} taken from the rear of the Back Garden
of nos 9, 11, + 13 Falkland Road which the Council
granted permission for the Owners of the Property
The Haslemere Estate Ltd, 82 Park Street, Mayfair W.1
to erect 7 Garages, & as you know objected
to this plan but the Council overruled any
Objection and allowed this people permission
to erect 7 Garages, but now they have
not done this, instead they have erected
2 Luscany Mansions + 2 Garages, What I
want to know, you gave them this permission
and why, this building has cast a Shadow
over our Living Room and we have to have
the Electric Light on all day, Last time I wrote
you on this matter I did not receive a reply
this time unless this matter is taken up

By the Council, I ² intend to write all the
facts to the Press

Yours Faithfully
