Dear Sir

I wrote you a month ago
re the Back Garden, at no 9. 11+13 Falkland
Rd, this is the second time of writing and the
last. I want this question answered!

Who gave permission for the Builder to
erect a Building of Two Flats, when the
L.C.C. gave only permission to erect 7 Garages.

If you cannot answer this question I will
endeavour to find out & making this
matter public

Yours Sincerely
