2020/2071/P		26/06/2020 17:40:25	COMNOT	IN principle do not object to this extension, however as vast numbers of the upper floors here are residential we do not want the terraces used for commercial use, due to privacy and security issues. Any air conditioner units should not cause a nuisance. There should not be any music played on the premises that is audible to adjoining or any residential premises
