Subject: Re: Comments on 2020/1614/P have been received by the council.

Hello -- can you kindly advise me, what is the next step now that I have registered my comments?

Many thanks

Regards

We live next door at 52 Belsize Park Gardens. We are concerned to know whether the proposed rear elevation dormer will affect our privacy through overlooking, or whether any other amenity will be affected. There is not sufficient detail in the application (eg the size of the dormer and the degree it extends) for us to have reassurance about this issue.
