Dear Sir, Madam

I am writing reading the Planning Application.

Application Number 2020/1450/P Associated Application Number 2020/2723/L ,in Alexander Road Estate Rowley Way.

Every single year we expend a lot of money in Major Works and the Council doesn't give us (leaseholders) much time to think about it they just go ahead. The plans are always huge and extremely expensive, some of the works are unnecessary, others could wait a bit longer, they just demolish anything, a shame!

My opinion, the Council has too much money to expend, so they need to find the way, which I think it's the wrong way one. There are many more good things th Council could invest the money on.

Unfortunately the Council doesn't think much about leaseholders. They don't include us in their projects, ideas, what is best for everyone. We should have stronger influence.

Yours Sincerely,

Agustina Toscano Morcillo
