2020/2363/P	The Heath & Hampstead Society	14/07/2020 16:47:48	COMMNT	<p>Objection from THE HEATH & HAMPSTEAD SOCIETY</p> <p>Nos 104 and 106 form a symmetrical pair of Italianate villas which are part of a group of villas that contribute to that part of the Conservation Area. The proposed dormer is shown as slightly higher and wider than its twin on no.104.</p> <p>Please refuse unless the applicant agrees that the new front dormer is exactly the same height ,width, etc as the existing dormer on no. 104. This will maintain symmetry and contribute to the Conservation Area.</p>
