- 1 Reasons for granting listed building consent (delegated):

8 Downshire Hill is one of a pair of early 19th century Strawberry Hill Gothick villas listed Grade II.

In the past the property has been the subject of internal alteration as well as the addition of a side extension and a ground floor conservatory to the rear. This application is for the removal of modern internal partitions within the front bedroom on the second floor.

Since the proposed works will return the plan form of the house to nearer its original layout the proposal is supported.

The site's planning history has been taken into account when making this decision

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.
