2020/3073/T	Coral Temple	15/07/2020 12:26:31	OBJ	I have searched through documents connected here and see no reason whatsoever for the destruction of this tree. This is a conservation area, and in these times our tyrees, the lungs of the city, are needed more than ever. Constantly people in this area are destroying trees because of wanting more light,superficial landscaping or extending properties. There has to be a stop to this. You can build a house in a few months but it takes decades for a tree to reach maturity. Mature trees are basically irreplaceable.
