The new system would need to have appropriate sound insulation and filtration, and it would need to extract at a higher point and with a different type of termination point (pointing upwards would probably be best). Any permission that we would grant would have a condition that would require the equipment to be surveyed after it was installed to demonstrate that it is operating in accordance with our noise and odour standards.

24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
