Drawing Name
Proposed Rear Elevation

Layout ID	Revision
P2.1	C

Revision Notes
REV A: Remote control car gate changed from a double hinged outward opening gate to a sliding car gate to allow entering cars to pull into ramped area whilst waiting for gates to open.
REV B: Height of car gate reduced following comments from Case Officer and Conservation Officer
REV C: Site survey taken to prepare area for new gates. Ground Levels discovered to be inconsistent with measured survey. Drawings revised and shown as found on site.
