Revision Notes  
 REV A: Remote control car gate changed from a double hinged outward opening gate to a sliding car gate to allow entering cars to pull into ramped area whilst waiting for gates to open.  
 REV B: Height of car gate reduced following comments from Case Officer and Conservation Officer  
 REV C: Site survey taken to prepare area for new gates. Ground Levels discovered to be inconsistent with measured survey. Drawings revised and shown as found on site with resulting implications to vehicle gate.
