2020/3107/P	Linus Rees	21/07/2020 07:35:03	OBJ	<p>Our association objects to this application to increase the number of hotel bedrooms from 166 to 208. This substantial increase in rooms will amount to an intensification of hotel use on this site - and well beyond that of the original application which was decided upon appeal. This will lead to an increase in the amount of service activity and movement of people and motor vehicles in and out of the building at all hours in the narrow streets surrounding the site. This will be to the detriment of local residents who will have to bear an unacceptable amount of noise nuisance from the operation of the hotel. For the above reasons the application should be refused.</p>
