## 4. What Are You Applying For?

Based on the type of work proposed and the location and protected status of the trees involved, there are various details and supporting information that will need to be supplied in order for the Local Planning Authority to determine the application.

Are you seeking consent for works to tree(s) subject to a Tree Preservation Order?

Yes  No

Are you wishing to carry out works to tree(s) in a conservation area?

Yes  No

### Documents and plans (for any tree)

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')?

Yes  No

## 5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:

- Tree species
- The number used on the sketch plan); and
- A description of the proposed works.

Where trees are protected by a Tree Preservation Order you must also provide:

- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

Front Garden:

T1: Yew: Reduce lateral and sub-lateral growth over drive and growing toward building by approximately 2.00m. Reduce remaining crown by 20% to balance.

Remove Ivy and dead wood throughout.

T2: Multi-stemmed Bay: Reduce crown by 30-40%.

G1: Mixed Species Hedge - Viburnum and Pittisporum. Reduce by 20% to tidy.

Rear Garden:

T3: Oak: Basal cavity noted. Raise crown skirt by approximately 1.50-2.00m. Thin crown density by 20%. Reduce lateral and sub-lateral branches growing toward house and over balcony by 20-25% (approximately 2.00m). Reduce remaining extraneous growth back into main crown structure (not more than 20%). Remove dead wood throughout.

T4: Beech: Located in neighbouring property. Thin crown density by approximately 20%. Raise crown by approximately 2.00m. Remove dead wood throughout.

T5: Oak: Remove epicormic growth. Thin crown density by 10%. Remove dead wood throughout.

T6: Laurel: Fell to approximately 1.00m in height.

G2: 3 x Beech - (forming informal hedge line): Reduce crown by 20%. Thin crown density by 25%.

G3: Yew Hedge: Reduce by approximately 30%.

Reasons: General maintenance and to control encroachment.

## 6. Tree Ownership

Is the applicant the owner of the tree(s)?

Yes  No

## 7. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

## 8. Trees - Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
