| Address line 2   |                       |  |
| Address line 3   |                       |  |
| Town/city        | London                |  |
| Country          |                       |  |
| Postcode         | SE8 3FB               |  |
| Primary number   |                       |  |
| Secondary number |                       |  |
| Fax number       |                       |  |
| Email            |                       |  |

| 4. Site Area                                    |                               |      |
|---|-------------------------------|------|
| What is the measureme<br>(numeric characters on | ent of the site area?<br>ly). | 0.00 |
| Unit  | Hectares                      |      |

#### 5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Conversion of a dwelling into 3 self-contained flats including 2 storey rear extension, side extension on the first floor and mansard roof extension.

Has the work or change of use already started?

🔍 Yes 🛛 💿 No

| 6. Existing Use  |   |              |
|--|---|--------------|
| Please describe the current use of the site  |   |              |
| A1 retail (ground floor) + C3 (first and second floors)                              |   |              |
| Is the site currently vacant?  | 🔾 Yes 💿 No  |              |
| Does the proposal involve any of the following? If Yes, you will need to subr        | mit an appropriate contamination assessment with your applicat    | ion.         |
| Land which is known to be contaminated   | O Yes 💿 No  |              |
| Land where contamination is suspected for all or part of the site                    | 🔾 Yes 💿 No  |              |
| A proposed use that would be particularly vulnerable to the presence of contamin     | nation Q Yes   No   |              |
|  |   |              |
| 7. Materials   |   |              |
| Does the proposed development require any materials to be used externally?           | 🖲 Yes 🛛 No  |              |
| Please provide a description of existing and proposed materials and finishes         | s to be used externally (including type, colour and name for each | n material): |
| Walls  |   |              |
| Description of existing materials and finishes (optional):                           | Please refer to DAS and full set of drawings                      |              |
| Description of proposed materials and finishes:                                      | Please refer to DAS and full set of drawings                      |              |
| L  |   |              |
| Roof   |   |              |
| Description of existing materials and finishes (optional):                           | Please refer to DAS and full set of drawings                      |              |
| Description of proposed materials and finishes:                                      | Please refer to DAS and full set of drawings                      |              |
|  |   |              |
| Windows  |   |              |
| Description of existing materials and finishes (optional):                           | Please refer to DAS and full set of drawings                      |              |
| Description of proposed materials and finishes:                                      | Please refer to DAS and full set of drawings                      |              |
|  |   |              |
| Are you supplying additional information on submitted plans, drawings or a design    | n and access statement?   |              |
|  |   |              |
| 8. Pedestrian and Vehicle Access, Roads and Rights of Way                            |   |              |
| Is a new or altered vehicular access proposed to or from the public highway?         | 🔍 Yes 💿 No  |              |
| Is a new or altered pedestrian access proposed to or from the public highway?        | O Yes 💿 No  |              |
| Are there any new public roads to be provided within the site?                       | 🔍 Yes 🛛 No  |              |
| Are there any new public rights of way to be provided within or adjacent to the site | e? QYes INO   |              |
| Do the proposals require any diversions/extinguishments and/or creation of rights    | s of way? Q Yes I No  |              |

## 9. Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking • Yes • No spaces?

Please provide information on the existing and proposed number of on-site parking spaces

### 9. Vehicle Parking

| Type of vehicle | Existing number of spaces | Total proposed (including spaces retained) | Difference in spaces |
|-----------------|---------------------------|--|----------------------|
| Cycle spaces    | 0                         | 6  | 6                    |

| 10. Trees and Hedges   |       |    |
|--|-------|----|
| Are there trees or hedges on the proposed development site?  | Q Yes | No |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? | Q Yes | No |

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

#### **11. Assessment of Flood Risk**

| If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site. |  |
|--|--|
|  |  |
| Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?                   |  |
| Will the proposal increase the flood risk elsewhere?   |  |
| How will surface water be disposed of?   |  |
| Sustainable drainage system  |  |
| Existing water course  |  |
| Soakaway   |  |
| Main sewer   |  |
| Pond/lake  |  |

#### 12. Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species:

Yes, on the development site

Yes, on land adjacent to or near the proposed development

🖲 No

b) Designated sites, important habitats or other biodiversity features:

Yes, on the development site

- $\hfill \bigcirc$  Yes, on land adjacent to or near the proposed development
- 🖲 No

c) Features of geological conservation importance:

Yes, on the development site

Yes, on land adjacent to or near the proposed development

🖲 No

| 13. Foul Sewage   |                         |                       |                     |                   |                  |           |
|---|-------------------------|-----------------------|---------------------|-------------------|------------------|-----------|
| Please state how foul sewage is to be dispose   | sed of:                 |                       |                     |                   |                  |           |
| Mains Sewer   |                         |                       |                     |                   |                  |           |
| Septic Tank   |                         |                       |                     |                   |                  |           |
| Cess Pit  |                         |                       |                     |                   |                  |           |
| Other   |                         |                       |                     |                   |                  |           |
| Are you proposing to connect to the existing  | drainage system?        |                       |                     |                   | QYes QNo (       | Unknown   |
|   |                         |                       |                     |                   |                  |           |
| 14. Waste Storage and Collection  |                         |                       |                     |                   |                  |           |
| Do the plans incorporate areas to store and a   | aid the collection of v | waste?                |                     |                   | 🖲 Yes 🛛 No       |           |
| If Yes, please provide details:   |                         |                       |                     |                   |                  |           |
| Please refer to full set of drawings  |                         |                       |                     |                   |                  |           |
| Have arrangements been made for the sepa  | rate storage and col    | lection of recyclable | waste?              |                   | 🖲 Yes 🛛 No       |           |
| If Yes, please provide details:   |                         |                       |                     |                   |                  |           |
| Please refer to full set of drawings  |                         |                       |                     |                   |                  |           |
|   |                         |                       |                     |                   |                  |           |
| 15. Trade Effluent  |                         |                       |                     |                   |                  |           |
| Does the proposal involve the need to dispose   | se of trade effluents   | or trade waste?       |                     |                   | QYes ⊚No         |           |
|   |                         |                       |                     |                   |                  |           |
