2020/3444/T	Vicki Harding	04/08/2020 06:41:51	SUPC	<p>The arboriculturalist reports this tree as structurally defective which would seem to fit with the history. In such narrow gardens this is potentially dangerous.</p> <p>Please could this s211 Notice of Intent be converted to a DD Notice, then the gardens can be rendered safe for use in these times ASAP for both owner and neighbours and a medium sized replacement tree conditioned. Being on the south side of Church Row a small tree would be inappropriate, but another poplar perhaps too big.</p> <p>Thank you Vicki Harding Society Tree Officer, Heath & Hampstead Society</p>
