2020/3047/T	S Powley	31/07/2020 12:34:25	COMMNT	<p>I object to the application to fell one or more trees at the front of 73 Aberdare Gardens, London, for the following reasons:</p> <ol style="list-style-type: none">1. The trees are an important part of the environmental health of the area, they are home to many species of wildlife, they help to keep the air clean and contribute to the aesthetics of the area. To remove these trees unnecessarily would remove a highly valued amenity that is enjoyed by the community.4. Most issues caused by trees can be remedied by pruning, followed by a regular pruning and maintenance problem. It is not necessary to fell to ground level and treat stump to kill the tree.
