I object to the planning use for 9 Fitzroy Mews, W!.

The impact of this roof terrace within metres of my bedroom at 25E Fitzroy Square would have a catastrophe effect of my life with regards to sleep if this were to be applied. The Fitzroy Mews acts as a echo chamber for noise. Any change to allow gatherings on rooftops would cause potential noise pollution in this peaceful mews.

Our quality of life as residents as we have known it own will demmish.

I totally resist and object to this planning application.
Please keep me informed of any developments.
Yours sincerely

Charles Stephens
