Proposed area of wall to be  
reconstructed.

It is to be noted that detailing to wall  
beyond this point is indicative only, due  
to shed blocking access.

8 Chamberlain Street entrance pier

11800

# Proposed

11348

2100

It is noted due to site access restriction measuring to 9 Chamberlain Street is not possible at the present time.

Drawings are shown as Chamberlain Street being level.

Wall is to be rebuilt using both salvaged and second hand London stock bricks to match existing profile. 1:4 cement:sand mortar Mix, weather struck to match existing. Pigmentation to be used to ensure best match .
