

Swiss Cottage Editions - Rider Petition

Dear Camden Council,

We are food delivery couriers who ride with Deliveroo and live and work in Camden.

We strongly support the continued presence of the Deliveroo Editions site on Finchley Road. The Editions Kitchen provides us with more opportunities to secure orders, helping us as self-employed people to earn more money. Were the site to close, the number of orders we receive locally may reduce, impacting our livelihoods.

We hope that Camden Council will continue to support the operation of the Editions site when it comes to considering the planning application.

Signed:
