Details of representation

1. We already have a problem with bag snatchers, phone thefts and pickpockets. The supply of alcohol in the area would only serve to fuel this problem. 2. The sale of alcohol will increase the risk if people gathering in confined areas without due consideration for social distancing. 3. The proposal is inappropriate for an area with a

well attended church close by and for the nearby residential community. 4. Such a proposal can only serve to increase risk of harm to children. How can school grounds be used for such a purpose?
