1. FACING BRICKWORK TO EXTENSIONS: Ibstock Ashdown Crowborough Multicoloured Stock Grey 215 x 102 x 65mm to match existing facing brickwork

<https://www.jewson.co.uk/p/ibstock-crowborough-multi-65mm-BRRED022>

Product Information:

The Ibstock Ashdown Crowborough Multicoloured Stock Grey 215 x 102 x 65mm (L x W x H) is a light textured, sandfaced stock brick generally used for most masonry applications. The grey multi brick is durable with S2 soluble salts. The stock brick has moderate strength with high water absorption and is easy to lay. The high quality facing brick has size tolerance of T1 R1 and has F2 durability. The product comes in a pack 500 and is manufactured to be used as facing such as exterior of a wall.

Specification Details:

Product Name:	Ibstock Crowborough Multi 65mm
Brand:	Ibstock
