CDM/H&S

Tree work is a dangerous activity and should be carried out by trained, competent and appropriately insured arborists. Tree work should be carried out to a good standard to comply with BS 3998 Recommendations for Tree Work.

The works illustrated on this drawing have been reviewed against the Design CDM Risk Register and significant risks are noted as:

- Construction:
- Risks normally associated with tree planting / removal
 - Tree pit fall hazard
 - Tree lifting

Maintenance:

- No significant risk other than those normally associated with work of this type.

Demolition:

- No significant risk other than those normally associated with work of this type.
