2020/3295/T	Douglas Falconer	07/08/2020 13:07:22	OBJ	<p>Please do not let this tree be cut down as the tree is not even touching the wall &amp; parts of the wall that have no tree beside it are leaning on its own. If you let this tree be cut down permission will then be asked to cut the rest down. The owners of the flats in this mansion block have refused to contribute a single penny to the large communal gardens shared with other properties at the rear for over 40 years. In a previous fit of dendrophobia an apartment owner at 97 Broadhurst claiming to represent them all has repeatedly sought to persuade the tenants in 82 Fairhazel Gardens to have the two protected trees in its front garden cut down. So in short could you please put a stop to this nonsense and refuse permission to cut down any trees on 97 Broadhurst Gardens.</p>
