2020/2353/P	Ian Dench	27/08/2020 18:59:39	COMMNT	We can see the proposed roof terrace from our top floor. We are not against a roof terrace in principle as we would like to make one ourselves at some point but we believe that every effort should be made to design a barrier so that users of a roof terrace are not looking directly into their neighbour's home and vice versa.
